

Used Shoes Wanted

Dan and Gunilla Kester are collecting used shoes for donation to students in Ghana in West Africa. There is a box for them in the coat room by the Temple entrance. The shoes will go to students at a school that Dan and Gunilla have been working with. For many of the students, it might be their first pair of real shoes. Any used shoes you have would be very appreciated: sneakers, sandals, kid's shoes, etc. Winter boots are less useful. Also, old backpacks for carrying books would be very appreciated. Thanks!
