

“How Far I’ll Go” (Moana) – Sung in Moses’ voice

I’ve been standing at the edge of the desert
Forty years I remember
And I know exactly why
I wish I could be the perfect leader
And make them all believers
You know how hard I’ve tried

Every turn we take
Every trail leads forward
Every path we make
Every road leads toward the place I know
Where I cannot go, Where I long to be

Hear God’s word from the mount to the sea, It calls me
One day they’ll know, Baruch Shemo
Joshua on my trail learned the ropes from behind me
And now he knows
I can’t go, but there’s just no telling how far they’ll go

I know everybody in this people
Get ready, Oh my people
Everything is by design
I know everybody in this people
Has a role with this people
So maybe I can roll with mine

I have led with pride
I have made us strong
I am satisfied they can go along
But God’s voice inside signs a different song
Leave without me

Hear God’s word from the mount to the sea, It calls me
One day they’ll know, Baruch Shemo
Joshua on my trail learned the ropes from behind me
And now he knows
What’s beyond that line, I can’t cross that line

Hear God’s word from the mount to the sea, It calls me
One day they’ll know, Baruch Shemo (x2)

Song of Peace

Aloha Oe/Shabbat Shalom

Verse

As we light the candles Friday evening
Let us sing a song of happiness.
As we gather together in celebration
Let us find peace and friendship.

Somewhere Over the Rainbow

Lyrics by Yip Harburg & Music by Harold Arlen

Somewhere over the rainbow
Way up high,
There's a land that I heard of
Once in a Lullaby.

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true.

One day I wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Way upon the chimney tops that's where you'll find me.

Somewhere over the rainbow
Bluebirds sing
Birds fly over the rainbow
Why oh why can't I

Sh'ma Yisrael Adonai Eloheinu Adonai Echad 2X

End:

If happy little bluebirds fly
Above the rainbow
Why oh Why can't I?
