Master of the Universe who ruled; before any form was created; when God's will brought forth all things; then was the Name supreme proclaimed.

After everything has ended; yet One alone will rule; God was and is; and will be in glory.

God is unique, there is no other; none can compare to nor join God; without beginning and without end; governing power is God's.

This is my God, the life of my salvation; I seek God out in time of sorrow; God is my miracle and my refuge; filling my cup when I cry out.

Into God's hand I entrust my spirit; when I go to sleep and when I wake; with my spirit and my body; I will not be afraid because YHVH is with me.
