Blessed are you YHVH our God, creator of the fruit of the vine. Blessed are you YHVH our God, the sovereign of all, who sanctifies us through the mitzvot, pleasing us, giving us the holy Shabbat in love and desire as a memorial of the Creation. It is the first day to be declared holy, a remembrance of the exodus from Egypt. You took us and sanctified us among all peoples granting us the holy Shabbat in love and pleasure. Blessed are you YHVH, sanctifier of the Shabbat.
