Let us adore you and sanctify you like the secret conversation of the holy seraphim who sanctify your name in the sacred space, as is written in your prophets (Isaiah 6:3): “They each call to the other and say, “LORD of hosts is sanctified, sanctified, sanctified; God’s glory fills every land.””

God’s glory fills the world. God’s Angelic servants ask each other, “Where is the place God’s glory belongs?” They reply to those near them with “Blessed.” Specifically, (Ezekiel 3:12) “LORD’s glory is blessed within God’s space.”

Within God’s space may God turn mercifully and act graciously with the nation that unifies God’s name evening and morning continuously every day, by reciting out of love “Pay

Attention/Hear” twice: (Deuteronomy 6:5) “Hear, Israel, LORD is our God, LORD is unique.”

LORD is our God, our parent, our sovereign, our savior, who out of God’s mercy will inform us a second time in front of every living creature that God is a god who benefits you, “I am LORD your god.” In the holy writings it is written, (Psalms 146:10) “LORD will be sovereign forever, your god, Zion, from generation to generation. Praise LORD!”

From generation to generation we will tell of your greatness; throughout eternity we will sanctify your sanctity. Our God, your praise will never vanish from our lips forever and eternally, since you are a great and sanctified power. Blessed are you, LORD, the sanctified power.
