Celebrating *our* Legacy

This year we celebrate the seventieth anniversary of our legacy congregation. To honor this occasion, we will host our October 24th Friday night Erev Shabbat Service at the Amherst Community Church – the original site of the Suburban Congregation, which later became Temple Beth Am, and then Congregation Shir Shalom.

This will be an important moment to recognize the importance of the church in our congregational history, and to create a new bond with the community. Many thanks to their pastoral team of Rev. Dr. Kandace Brooks and Rev. Dr. Rick Danielson for welcoming us in, and to Marta Herzbrun for making the arrangements.

Living true to our value of *L'Dor VaDor* from generation to generation, means celebrating our past, even as we look toward the future.
